### About Us

OC San is a public agency that provides wastewater collection, treatment, and recycling services for approximately 2.6 million people in central and northwest Orange County. OC San operates two facilities – Reclamation Plant No. 1 in Fountain Valley and Treatment Plant No. 2 in Huntington Beach – and treats more than 180 million gallons of wastewater each day.

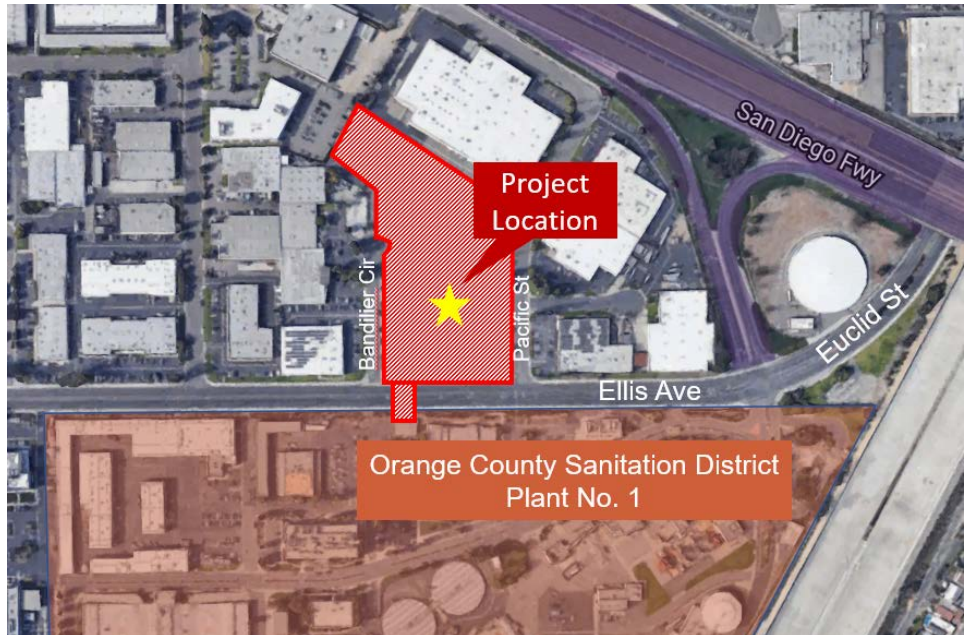

### PROJECT SUMMARY

Orange County Sanitation District (OC San) will begin construction of a new headquarters building in the City of Fountain Valley.

The project includes a new 3-story office building, surface parking, and pedestrian bridge over Ellis Avenue to the OC San Plant No. 1 facility.

### WHERE:

Ellis Avenue, between Bandilier Circle and Pacific Street, near the I-405 freeway southbound ramps, in the City of Fountain Valley.

### WHAT TO EXPECT:

Most construction activity will be within the screened fencing around the perimeter of the project area. Construction noise including use of heavy equipment and machinery can be expected during work hours. Occasional lane closures may be required.
